

Variety Test Plots
It has been our experience that when visiting experimental farms, farmers and others are always interested in variety test plots, and in new or unusual crops they have never seen before. With this in mind we sent seeds of wheat, oats, barley, corn, soy beans, grasses, alfalfa, etc., to country grain buyers willing to sow and weed the plots. Last year these plots were very popular. Several grain buyers reported that every farmer in the district visited the plots, and some farmers paid regular weekly visits.

This year we have 311 plots in the prairie provinces. About half of them include annual crops only, such as: wheat, oats, barley, soy beans, corn, etc. The remaining plots have, in addition, perennial grasses and clovers. All include a variety of "hybrid" corn for comparison with standard varieties.

A complete list of plots, giving the location (town), and elevators in charge, has been sent to all grain buyers of line elevator companies associated with the Agricultural Department of The North-West Line Elevators Association.

In order to find out where the nearest plot is, therefore, enquire at the local line elevator. Schools, Junior Clubs and other groups are cordially invited to make up parties and visit these plots. Insofar as the quantity of material permits, grain buyers will be glad to supply small bundles (when fully ripe) for display in schools and elsewhere.

Mrs. Hutchings Guest of Honor at Showers

v-v-v

Mrs. George Hutchings whose marriage took place in Calgary recently, was guest of honor at several affairs in the district.

On June 29, her friends at Carmangay held a miscellaneous shower at the home of Mrs. Johnny Hubka when she was recipient of many lovely and useful gifts.

Mrs. John Pharis entertained Thursday afternoon, July 16, at her home in the form of a miscellaneous shower for Mrs. Hutchings. The gifts were presented in a decorated wheelbarrow.

On Friday afternoon, younger friends of Mrs. Hutchings gathered at the home of Miss Phyllis Chamberlain and showered the guest of honor. Master Keith Harris who was attired in an air-force uniform, presented the gifts to Mrs. Hutchings.

Mrs. Frank Caldwell was hostess on Saturday evening to Mrs. Hutchings, in the form of a miscellaneous shower. On this occasion the guest of honor was crowned queen of the brides. A series of tableaux depicted the life story of Mrs. Hutchings.

Local Notes

Miss Elsie McLean was hostess Wednesday afternoon at a towel shower in honor of Miss Mary Sisson whose marriage to N. B. Blackford of Lethbridge will be an event of next Monday.

v-v-v

Dave Watkins is reported to be resting comfortably in Carmangay hospital after undergoing a serious operation on Wednesday.

NUMBER 29

Local Cadets To Go To Camp

v-v-v

Local cadets will attend summer camp at Sarcee, August 4-11. Those going are to be in Champion Tuesday, August 4th to leave on train at 7.30. Transportation has been arranged. Acting Captain Jordan will be here on August 2 to make final arrangements.

Cadets are to bring no baggage except what will go into packs to be distributed at station. A heavy pair of shoes and a windbreaker are recommended. Soap, towels, underclothing and a warm coat are to be brought.

It is hoped that all local cadets will attend this camp. About seven hundred boys from all over the province will be there and it will be a great experience for them.

v

Letters From Our Soldiers

We received a letter from Robert Doyle this week from England thanking us for sending him the Chronicle while he was in Canada and hopes we will continue it to England. Gladly Bob.

v

CHURCH NOTES

v-v-v

There will be only one Anglican church service in the Community hall this month, Holy communion at 11 o'clock on August 2nd.

BE A PAL...
to your
Electric Refrigerator

DON'T MAKE IT
WORK OVERTIME

5
Temperature Saving
TIPS that save
Electricity too!

1. Don't open the door more than you have to, as door opening lets warm air rush in and gives your refrigerator more work to do.
2. Don't put hot foods in your cold refrigerator. This frosts it up unnecessarily. Cool foods first.
3. Save on Ice Cubes. You don't need to be stingy, but why empty trayful after trayful before you know your friends want beverages iced.
4. Don't have your refrigerator right next to the range. The cooler the spot the less your refrigerator has to work.
5. Don't let too much frost accumulate before defrosting. The excess frost acts as an insulator and wastes power.

Your electric refrigerator is constructed and mechanically engineered so that it will always maintain the exact temperature required for safeguarding the freshness and nutritive value of your foods. A little co-operation on your part, however, will increase its efficiency, lower its operating cost, and extend its years of service.

ENLARGED UNITS

The question of the enlarged municipal and school units is much to the fore these days. It is unfortunate that this issue should be brought up at a time when all our thoughts and actions should be directed toward the winning of the war and not divided by problems which can be settled just as well after the war is won. At least, the decision as to whether or not Enlarged Units should be brought into being should be given a full and free discussion at a time when those who will be affected by it can have the opportunity to decide for themselves whether or not they wish to endorse it or refuse it.

It would appear that the proper time for such a discussion would be preliminary to a provincial election when the people would, by their vote, express to the government their will in the matter.

The only legitimate reasons for the adoption of the enlarged unit idea would be to effect an economy in the management of Municipal affairs or to improve the efficiency of the present set up. In next week's paper we will attempt to weigh the benefits against the detriments of the proposition.

SOME PRISONERS OF WAR OF ENGLAND

The above photograph shows some wounded German prisoners at dockside in England. They were to be exchanged for English prisoners but at the last moment the Nazi authorities broke off negotiations.

In this photograph is a large group of axis prisoners being taken through Cairo on their way to prison camps for the duration of the war. They are seen near the massive walls of the 11th Century Citadel fortrees beyond which is the Ali Mosque, and at the right the Mosque of Sultan Hassan.

The Chronicle Tobacco Fund

This fund is for the purpose of sending cigarettes regularly to the boys of the district serving overseas in Canada's forces.

It is planned to send 300 cigarettes each month to each boy.

Money will be collected by voluntary donations made direct to the Chronicle which will be acknowledged in the paper, and through receptacles to be placed in all places of business.

Every cent of money collected will go directly for purchase of cigarettes as the Chronicle is assuming all expenses in connection with the fund.

The local I.O.D.E. chapter has kindly consented to administer the fund, that is, they will handle all monies, book-keeping and ordering.

Donations, distribution and expenditures will be published regularly in the columns of this paper.

No donation is too small to help in this work. Won't you plan to help see that our boys get enough smokes?

Bring or send a donation in NOW to

SOME IMPORTANT POINTS ABOUT YOUR RATION CARD

1. A Ration Card is required for each individual person, regardless of age.
2. Each numbered coupon is good for a two weeks' ration of 1 lb. of sugar.
3. Coupon No. 1 is good July 1st; coupon No. 2, July 13th; coupon No. 3, July 27th; coupon No. 4, August 10th; coupon No. 5, August 24th.
4. Coupons cannot be used before the specified dates, but may be used any time afterwards.
5. Only coupons 1, 2, 3, 4 and 5 can be used for sugar buying.
6. Do not use coupons A, B, C, D and E, unless instructions are issued by The Wartime Prices and Trade Board. Do not detach them.
7. Coupons must be detached in the presence of your retailer. He will not accept loose, detached coupons.
8. If you do the buying for your home, or for a number of people, you may purchase sugar for them by taking their ration cards with you to the store.
9. If you order by telephone, coupons must be detached in the presence of, or by the delivery man.
10. Retailers may hold customers' ration cards and detach coupons for them in cases where customers are not ordinarily at home to take delivery; or in the case of summer cottagers having deliveries made by mail or express.
11. If you go visiting for a week or more, you should take your ration card with you for your host to use.

12. If you are a regular boarder in a house, you should turn your ration card over to your landlady so she may secure your sugar allowance.

13. You do not use coupons for the purchase of sugar for preserving, canning, jam or jelly making. Additional quantities are allowed for these purposes, for which you sign a special Sugar Purchase Voucher, which your grocer will give you.

14. You do not require coupons for sugar that you consume in restaurants or public eating places. These places are rationed and can only serve limited quantities to their customers.

Misuse of ration coupons is illegal and offenders are liable to prosecution.

Report to the nearest Wartime Prices and Trade Board office (a) if you lose your card, (b) if you change your name or address.

If additional ration cards are needed for new babies, or new Canadian residents, write to the nearest Wartime Prices and Trade Board office.

BRITISH R. A. F. IN ACTION ON THE SOVIET FRONT

Wing-Commander H. N. G. Ramsbottom-Isherwood, Commander of the British R. A. F. operating with their Russian Allies from a base in the Soviet Union, watches aircraft of British and Red squadrons taking off for a sortie against the common enemy.

Wheat Pools Reduce 'Street' Spread

The western Wheat Pools decided at an interprovincial conference, held in Calgary on July 16th and 17th, to reduce by 1/4c a bushel the spread in the handling of "street" wheat delivered to the Wheat Board through Pool elevators for the ensuing crop year. This means that the "street" spread in Board wheat handled by the Pools will be eliminated and farmers who deliver on that basis will receive the carlot price and benefit by 1-2c a bushel as compared with last year's charges. The Wheat board has been advised accordingly.

This decision was reached because of special conditions which are certain to prevail in the marketing of the 1942 wheat crop. The present arrangement with the Wheat Board provides that a producer must deliver 750 bushels in order to qualify for carlot price. However, it is probable that the first quota will be five bushels to the acre and many farmers will not have a sufficient allotment to deliver 750 bushels, even although they may have substantial quantities of wheat in farm storage.

The Wheat Pools have taken the leadership in this matter just as they have in virtually every proposal to aid western agriculture in the past.

A Coming Shortage of Coal

On all sides we hear there may be a serious shortage of coal this coming Fall and Winter. Coal miners, however, are available NOW to dig coal and freight cars are available NOW to transport the coal. They will probably NOT be available next Fall. Farmers and merchants who wish to be assured of coal to heat their homes and businesses this coming Winter will be wise, therefore, if they order coal now, and take delivery of it as quickly as possible.
